

Lumens School

Playgroup to std. 12 CBSE

Unique and Career-focussed Offering for Grade 11

COMMERCE STREAM

Lumens Integrated Program

Focus on NCERT Syllabus

- Emphasis on fundamental concepts and practical application through Quadseek.

Entrance Preparation:

- Special coaching integrated into daily school timetable to clear concepts.
- Entrance Exam studies spaced out over two years as compared to few months offered by classes
- Practitioners (CA, CS faculty) teaching core subjects which makes it application oriented and inspirational.

School Hours:

- **Timings:** 8:30 AM - 2:30 PM (Monday to Friday). Two Saturdays a month working.
- Regular tests to track progress.

Why Lumens?

- Our School curriculum aligns with entrance exams of professional degree courses like CA / CS / CMA. Syllabus of these entrance exams overlaps with entrance exams of most courses and colleges.
- Most schools do not align syllabus with entrance exams due to which students are forced to join coaching centers after 12th.
- Coaching for CA Foundation/CS/CMA at coaching centers is typically done after 12th Board Exams, from April to July, for four months, ten hours a day for 600 hours. CA Foundation Attempt is usually in September which makes entry to most good colleges difficult.
- Large number of Students, stop pursuing CA/CS/CMS, which are the most coveted and most lucrative course for Commerce Students.
- Comprehensive coverage from Grade 11 will give a head start to Lumens Students on competitive entrance exam preparation. Our students will aim to give the May attempt of CA Foundation after Grade 12 so that they are prepared to join any college after 12th.
- Faculty is well equipped with concise notes and innovative teaching tools which makes it effortless for students.
- We promote experiential learning by giving practical training in Accounting Software, Industrial Visit etc.
- Regular sports during school hours will boost mental health, thereby improving concentration and overall wellbeing. Canteen provides three nutritious meal.

Harsh Reality

- Students take Commerce because they don't like Science and don't know about Arts.
- Students take Commerce because they think it is easy
- Students often don't go with a plan to make career out of the stream selected.
- Students give up on CA, CS and CMA thinking it is tough

Our Plan – Boards and Entrance Exam Preparation

- Entrance exam preparation spread over Two years (11th & 12th) (as most of the entrance syllabus based on board curriculum)
- First cover the NCERT topic to clear concepts and its questions.
- Then cover Entrance exam question before moving to the next topic starting from 11th
- Rest syllabus will be taught separately.
- Prepare student for May '27 attempt, just after board so before they move on to graduation, they are ready for CA Inter.

Saves time and keep the students sharpened.

Graduation becomes easy.

- Inhouse and continuous Career counselling for
after-12th admission
